Re: Our File No. L98-1086

Dear Mr. To:

This is in response to your letters dated August 30, 1998 and October 25, 1998.

Both letters have been carefully reviewed. As a result of that review, we do not find a basis for reversing our prior decision as stated in my August 12, 1998 letter to your attorney, Joseph Rhine. As stated previously, the University continues to view Dr. Bernard Banks' actions as not warranting disciplinary action. Both the actions of Dr. Banks and Disabled Student Services were good faith efforts to insure that you were able to pursue your educational objectives.

We consider this matter closed and wish you well in your educational endeavors.

Sincerely,

LINDA S. MacALLISTER
University Counsel
